Challenge 2002: Boston

Benefit for AccesSportAmerica

Honorary Chair
Timothy Johnson, M.D., ABC News

Dear (Name): SAMPLE LETTER

I am participating in the Challenge 2002: Boston to benefit AccesSportAmerica on Saturday, June 8, 2002 from 12noon-4pm at Carson Beach, Boston.

On Challenge Day, each Challenge Participant will windsurf, kayak or row for three hours while raising a minimum of $1,000 to benefit AccesSportAmerica. Our Challenge Shore and Water Crew are also raising funds.

May I count on your support?

Your encouragement is important to me and to our team. This year we hope to break all records.

Funds raised support AccesSportAmerica, a non-profit organization founded in 1995, that offers high-challenge water sports for children and adults with disabilities while encouraging the spirit and challenging the body and mind. The Windsurf Program is the first and only program of its kind nationally. For further information, please visit our website at www.AccesSportAmerica.org.

Thank you.
